

NOTICE: eyeLABS CLOSED DUE to COVID-19

EMERGENCY AND NON-URGENT CARE SERVICES AVAILABLE

Under the advice of the College of Optometrists of Ontario, we will be closed until further notice as a precaution to help protect our patients, team members and the community against the spread of COVID-19.

GENERAL INQUIRIES can be sent to INFO@EYELABS.CA. This inbox will be checked frequently during the time that our

office is closed. Appointments that were scheduled between are effectively canceled. We will be in contact to reschedule those appointments once our office has reopened.

Should you experience an OCULAR EMERGENCY, please:

1. contact us via email URGENT@EYELABS.CA or
2. Use our **WEBSITE** webchat to contact our triage service (bottom right of the screen)
3. Call our urgent care line directly at **(289) 298-0933** and follow in the instructions

Ocular Emergencies (SUDDEN ONSET of any the below):

Vision loss in one of both eyes
Halos around lights associated with red painful eye
Flashing lights and/or floaters
Double vision
Foreign body/injury to the eye
Chemical injury to the eye

If you do not receive a reply from within the business day (during regular hours), please call Telehealth Ontario 1-866-797-0000. We thank you in advance for your understanding and look forward to seeing our patients in the office in the near future. Stay Healthy!
